We are undoubtedly living in momentous times. Because of this, your support is critical as we seek to do all we can together to comfort God’s people in Israel and be a source of hope and healing to men, women, and their families around the world.

Below, you’ll see some examples of what friends like you have accomplished over the last 12 months and what we can continue to be a part of in the days ahead. I thank you in advance for prayerfully giving your best and partnering with us to be Jesus’ hands and feet to the world.

COMPLETED IN 2022

ESHKOL PLAYSCHOOL AND BOMB SHELTERS

Four unique bomb shelters were opened in the Eshkol region of Israel. This area borders the Gaza Strip, where Israeli families and children are under consistent attack from rockets and other terrorist activity. These shelters, including the reinforced Eshkol Playschool, **provide protection, soul-healing, and counseling** for Israeli children suffering from long-term PTSD from constant threats and attacks.

AS WE STEP INTO 2023, WE ARE COMMITTED TO CONTINUING INITIATIVES WE LAUNCHED THIS YEAR

MOBILE MEDICAL UNIT

Together, in partnership with Save the Storks and our “Life is Beautiful” initiative, we are providing a Mobile Medical Unit, which is a state-of-the-art mobile medical clinic professionally staffed with nurses and counselors—fully equipped to provide pregnancy tests, ultrasounds, and other medical tests at no cost. **This modern miracle is helping mothers choose life**, and we are committed to helping these women with both prenatal and postnatal care for up to two years.

NORTHERN ISRAEL EMERGENCY CENTER

There are communities near Israel’s northern border that lie directly in the line of fire of terrorist armies backed by Iran. To make matters worse, they don’t have access to a hospital or emergency medical care nearby. This is why we’ve committed to investing toward the construction of the Northern Israel Emergency Center and fulfilling the promise to “Comfort My People with Grace.”

“MIRACLE MARKET” IN HAITI

Gwo Maché Market, better known to us as the “Miracle Market,” **continues to provide “food for life” in Haiti!** In the almost eight years since its grand opening, the number of local businesses, vendors, and families who can safely and fairly practice trade has grown to 600. Some, such as Farmer John’s Abatwa butcher shop, employ as many as 30 Haitians. And Love-a-Child reports that when ONE Haitian is employed, they feed an average of TEN people! Your support is also funding the 272,000 meals we send each month to Haiti.

RELIEF FOR UKRAINIAN REFUGEES

Through the support of friends like you, we’ve been ready and able to **provide food, water, clothing, and other essentials to refugees and internally displaced people** within and around Ukraine. Together, through our partnership with both Christian and Jewish organizations, we have helped supply a central warehouse in Ukraine with water, food, and emergency supplies. We have also supported over eight churches in opening their doors to refugees with a safe place to sleep and the daily necessities of life.

MEDIA MINISTRIES BROADCAST

Every day, somewhere in the world, we are preaching the Good News. With your support, we will continue to reach more than 200 nations with the gospel—introducing countless souls to Jesus and encouraging and strengthening the church.
