

IMPACT REPORT

TOGETHER, WE ARE PROVIDING HOPE AND HEALING TO THOSE IN NEED.

Together We...

In times like these, it is easy to get distracted by the news and social media. There are wars, natural disasters and chaos in our communities. While we need to pay attention to these events, we also need to remain thankful for everything God has done in our lives. Thank Him for his protection over our children and our families. He is still on the throne and in control of all that concerns us today.

We're humbled and grateful for your partnership with Jentezen Franklin Media Ministries. We simply can't do what we do without you. From preaching the Good News globally through Kingdom Connection to inspiring daily resources and life-changing outreach, your support matters.

This newsletter shows a glimpse of the lives you've impacted and the transformative projects this year. May it encourage you and evoke gratitude to God for letting us share His extraordinary grace.

Blessings,
Jentezen Franklin

We Stand With Israel

In the face of the recent devastating attack on Israel, our hearts go out to the people of the Eshkol Regional Council, located on the border of Gaza, who have endured horrific atrocities.

For over five years, JFMM has been dedicated to offering compassionate care and partnership with the Eshkol Region. We stand by their side, along with the Jewish National Fund, to bring hope, strength, and resilience to this remarkable community.

Together, we have achieved amazing projects, including the construction of the fortified Kingdom Playschool, four bomb shelters, a fully-equipped fire station, and a new hospital in Northern Israel, situated near the borders of Lebanon and Syria. These vital facilities have played a crucial role in saving countless lives during the direct bombings.

Your support has made all of this possible. Together, we can continue to make a difference and stand strong with these precious Jewish families in the Eshkol Region and the nation of Israel during these challenging times.

Thank you for your unwavering support and generosity.

A Story of Renewed Faith and Joy

At fourteen, I became a mother, and by age twenty, I dropped out of school, falling into the clutches of cocaine addiction, and adding two more children to my life. Over the next four years, two more children arrived, and I faced my father's loss and a tumultuous divorce. Loneliness and despair led me to believe no one would accept a single mother of five. Seeking solace in destructive relationships, I spiraled into meth addiction. As my addiction tore my family apart, I realized I needed help. Frustration and anger ensued when my family couldn't provide a solution, leading to my expulsion.

We became homeless, moving from one hotel to another. I continued battling addiction, sometimes in the presence of my children. Eventually, a 72-hour hold in a mental health facility seemed my only way out. The first rehab didn't succeed, but my aunt intervened, bringing me to the Dream Center. Here, God has been restoring my sanity, faith, trust, and reshaping me into a compassionate and kind person.

Now, I'm reuniting with my family, witnessing my mom's joy, and finding safety, healing, and hope. With God as my focus, my life is falling into place, and I'm ready to help others.

A Life Transformed By God's Grace

My name is Tiffany, and today I'm 33 years old. I battled addiction for nearly 20 years, losing everything in the process, including my husband and children. In April 2020, I hit rock bottom, faced with a choice: seek help or risk losing my life. My husband, already in recovery, urged me to join New Beginnings, hoping to salvage our marriage. To succeed, God had to become the center of my life and our relationship.

Recovery was incredibly challenging; I had to transform my entire mindset and fully surrender to the Lord. Through this journey, my family reunited, my marriage was restored, and we welcomed new additions.

I'm deeply thankful to God for lifting me out of the darkness. These past three years, I've lived clean and addiction-free—all glory to God!

"Then they cried to the LORD in their trouble, and He saved them from their distress. He sent out His word and healed them; He rescued them from the grave. Let them give thanks to the LORD for His unfailing love and His wonderful deeds for mankind."

Psalm 107:19-21

A Special Thank You From Our Partners In Haiti

We extend our heartfelt thanks for the incredible gift of 272,000 meals and the support during the "packing event." In Haiti, where food is as precious as gold, your contribution is a lifeline. It's not just sustenance; it's a beacon of hope amidst daily gang-related troubles and hunger.

Your generous donation not only nourishes bodies but also opens doors to salvation. It's astonishing how your support led a powerful witch-doctor to embrace Christianity, renouncing Voodoo practices and joining our Haitian Church.

Your kindness reminds Haiti that God has not forgotten them. We want to express our deep gratitude to all the donors who worked tirelessly. The Food Distribution Center is a priceless gift.

With sincere appreciation,

Bobby and Sherry Burnette

To The Least of These

When Jesus returns, all nations will gather before Him. He'll separate us like a shepherd separates sheep from goats. To those on His right, He'll say, "Come, you're blessed; inherit the kingdom prepared since creation. You fed the hungry, quenched thirst, welcomed strangers, clothed the needy, cared for the sick, and visited prisoners." They'll wonder when they did, and He'll reply, "In serving the least, you served me."

TOGETHER, OUR IMPACT IS GROWING!
