## Together We...

During these challenging times, it's easy to become absorbed in the constant stream of news and social media updates detailing wars, natural disasters, and community unrest. While it's crucial to stay informed about these events, it's equally important to maintain a sense of gratitude for the blessings that God has bestowed upon our lives. ## Israel: Resilience Amidst Tensions —Your Impact

We are reaching out with a crucial update on the situation in the northern Galilee region and the significant role your support is playing during these challenging times.

Since October 7, heightened tensions in the region, marked by Hezbollah's aggressive actions, have created a volatile environment. Civilians, particularly in border communities, are enduring attacks with unprecedented precision, causing widespread terror and displacement.

Amidst this turmoil, we are proud to highlight the unwavering commitment of the JFMM Northern Israel Medical Emergency Center. Despite the ongoing conflict, their construction crews persist in their crucial work, emphasizing the urgency of completing this vital medical facility. The center stands as a beacon of hope, essential for saving lives in these tense times

Your support is not just funding construction; it's a lifeline for a community facing unparalleled challenges. Completing the emergency center is imperative, and your contributions are making a tangible difference, providing vital resources for those affected by the conflict.

Inbar Bezek, former member of Knesset and current CEO of the Upper Galilee Economic Forum, sheds light on the current situation and underscores the importance of your contributions.

Your continued dedication is instrumental in ensuring the success of this crucial project and making a lasting impact on the lives of those affected by the conflict. In these challenging times, we deeply appreciate your unwavering support.

## Dream Center: Andre's Story

"At the age of three, I moved to Tennessee to live with my grandmother. That is where I was first introduced to Jesus. Around the age of thirteen or fourteen, I went through some dark times. I lost my grandparents and my stepdad. I didn't graduate from high school, so I decided to join the military.

"As I got older, I believe the Lord was telling me to leave Tennessee due to the fact that I was always going back to my old ways and relapsing. I finally realized that the company I kept was not good for me. Before coming to the Dream Center, I had tried many different programs that in the end were highly disappointing. I have always had a relationship with Jesus; I just needed Him to guide me to a place where I could walk closely with Him. He answered and showed me the Dream Center at the right time before I started to fall back into my old habits.

"I haven't been here long, but I feel much better about a lot of things in my life. The Dream Center has allowed me to draw closer to Jesus and helped me work on my discipline and emotions. The biggest change in my life has been my walk with the Lord. I feel free now, and I try to submit to the Lord every day. My love and faith for the Lord have grown a lot since my time here.

"My plan moving forward is to be the man God created me to be. I am currently working on my GED while volunteering in the community through the Food Truck Ministry. The Dream Center motivates me to co-exist with others and to not be prideful. For anyone thinking about coming to the Dream Center, I would say give this place a chance. It is the Lord trying to bless you in every way possible. It can be a start to a beautiful way of living."

Blessings,  
Andre

*Trust in the LORD  
with all your heart,  
and lean not on  
your own  
understanding; in  
all your ways  
acknowledge  
Him, and He shall  
direct your paths.*

## Haiti: Dasca's Story

We wanted to share a touching story that highlights the profound impact of your generosity in our community, particularly in the life of a young girl named Dasca. During a food distribution event, we discovered Dasca living with her struggling aunt, who contemplated selling her due to financial hardships.

Upon learning of this heartbreaking situation, we quickly intervened, finding a caring relative who could look after Dasca properly. Your monthly support enables her to attend school, covering expenses like uniforms, books, and more. Our orphanage's little girls even contributed clothes to ensure Dasca has what she needs.

Recently, the joyous moment arrived when Dasca, accompanied by our team, expressed her gratitude for the opportunity to attend school. It was truly a day of tears filled with overwhelming happiness. Your support made this possible, and we want to convey our heartfelt thanks to you, your staff, and donors.

Dasca's story is just one among many, emphasizing the positive impact your love and support bring to our community. With sincere appreciation, we extend a warm "thank you."

Gratefully,  
Bobby and Sherry Burnette
